Design

RedCreative

Experiencing the potentialities of hard and soft leather: this is the core of Enrico Pellizzoni, a company that can boast a long tradition in high quality manufacturing. Creative and research projects are springing up to carry matter and technologies towards product innovation. The purpose is to supply a wider and modern selection of new finishes, colors and environmentally sustainable materials to meet the multiple needs of the market in which Enrico Pellizzoni has established as a specialist in leather furniture.
